

## Finding Scholarships with Airtable

- **What is Airtable?**

If you have used our Outside Scholarship Database before, you might notice that it looks a bit different now. Students are still able to find all the scholarships that were on our old database using Airtable, our new platform for finding scholarship opportunities.

## Tips for Searching Using Airtable

- It's never too early (or late) to start looking for scholarships!
- Don't be afraid to jump right in and use multiple filters when searching.
- Keep track of what you have found in a spreadsheet or use one of our spreadsheets to organize your scholarships (link to spreadsheet).
- Attack from multiple directions: keywords, major, college, unique characteristics and qualities, and year in school.
- Reach out to the Scholarship Resource Center with any questions. We are here to help you find and successfully apply for scholarships!
